

TRANSITION TO MS ISO 9001: 2015 AND RISK BASED APPROACH WORKSHOP

The Department of Standards Malaysia (Standards Malaysia), a government agency under the Ministry of Science, Technology and Innovation (MOSTI) has established the Technical Committee (TC) on Quality Systems. The TC has developed MS ISO 9001 - Quality Management System that is believed to play the important role in enhancing the competitiveness of the organization. The standard has undergone a review process in 2015 which outlines some improvements.

Objectives

- To understand the key changes on MS ISO 9001: 2015
- To understand the implementation and application of MS ISO 9001: 2015
- To prepare the organizations/ participants for MS ISO 9001: 2015 transition
